The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to medicine. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

WHAT NEXT?
It does seem as though the seedmen would stop somewhere, but here comes a work of art. Think of it, 24 pages lithographed in colors, upon an entirely new plan. This, in itself, is enough to turn every woman's head. Then follow about 100 more pages, filled with handsome half-tone illustrations of Flowers, Fruits and Vegetables, photographed from nature, all printed on fine paper and enclosed in an elegant cover of white and gold. Vick's Garden and Floral Guide also contains full descriptions and directions for planting Flowers and Vegetables, Plants, Small Fruits, etc. It explains a new departure in selling Vegetable Seeds by weight in place of the old style of packets; also a grand offer giving customers credit for full amount of purchase to apply on order for implements and useful articles. This splendid work of art will be mailed with a Due Bill for 25 cents worth of seeds, for only 15 cents. Write JAMES VICKS SONS, Rochester, N. Y.

All our former readers should take advantage of the unprecedented clubbing offer we this year make, which includes, with this paper, The Live Stock Indicator, its Special Farmers' Institute editions, The Poultry Farmer, The Farmers' Mutual Insurance Journal and the Humane Alliance. The subscription price of these five publications amounts to \$2.80, while our own paper is \$1.00, a total of \$3.80. We are prepared to send them all, including our own paper, to any farmer in this county for \$1.45, which is only 45 cents more than our own subscription price. Never before was so much superior reading matter, of the most practical and useful character, offered for only \$1.45. The first four of the papers named are so well known throughout the west that but little need be said of them. They commend themselves to the reader's favorable attention upon mere mention. The Humane Alliance is devoted to humane education, and should be in every farmer's family, so that the boys and girls on the farm may early imbibe the principles of a broad humanity that shall include all God's creatures, and learn the wickedness and brutalizing tendency of cruelty of all kinds. Take advantage of this great offer.
To insure a happy new year, keep the liver clear, and the body vigorous by using DeWitt's Little Early Risers, the famous little pills for constipation and liver troubles. Jones & Gibson.
